CHAMPIONSHIP PROCEDURES AND OPERATIONS

CHAMPIONSHIP COMMITTEE: The Committee will consist of the Meet Director, Meet Referee, and YMCA Directors who are at the meet.

RULES: The meet will run under Rules That Govern YMCA Competitive Sports, Swimming Addendum to the Rules That Govern YMCA Competitive Sports, USA-S Technical Rules.

MEET FORMAT: The meet will be swum using a Timed finals format. Swimmer's age will be determined as of December 1, 2021.

EVENT SEEDING: Events will be seeded in advance of the meet, slowest to fastest, except for the following events: The Meet Referee/Administrative Official reserve the right to combine heats. Should a swimmer need special consideration in seeding, please send a note to the meet host separate from your entry file.

SCRATCH PROCEDURES: An athlete is considered entered an event unless he/she scratches from that event. If an athlete does not scratch from an event and does not swim the event, that event still counts toward the athlete's total number of events for the meet.

DECLARED FALSE START: An athlete may also withdraw from a heat or swim-off by electing to take a declared false start. Such declaration must be made known to

Northwest Ohio YMCA Swim League Championship February 26; March 12-13, 2022

the Deck Referee before the heat or swim off is announced. A declared false start counts as an event swum for the athlete and will be counted in the maximum number of events allowed for each athlete.

NO SHOW: There will not be a penalty for an athlete who is seeded in an event and fails to compete (i.e., a "no show"). That events will still count towards the athlete's total number of events for the meet.

WARM-UP SAFETY PROCEDURES: Teams will be assigned lanes for warm-ups. No team has exclusive rights to any pool lanes during warm up period, during or before the start of the meet. Teams will need to share lane space and work cooperatively in reflection of the YMCA values and sportsmanship.

During designated warm up sessions, athletes may only enter the competition pools from the starting end. Athletes are expected to use a three-point entry in which they sit on the side of the pool then slide into the pool gently, with one hand on the wall. The exception is during specific warm up periods when sprint lanes are designated for practicing racing starts.

Coaches are responsible for the safety of their athletes and are expected to always monitor them during warm up sessions.

BEHIND THE BLOCK: Athletes are asked to not stand behind the blocks unless they are the next heat. There will once again be buckets behind the blocks to put the athletes mask and a cone to designate where to stand behind. Please try to focus on this so there is not a huge number of athletes behind the blocks at one time.

STARTS: 'Fly-over' starts will be used at this meet. All swimmers (except for Backstroke starts) should remain in the water at the completion of their race until the next heat has begun.

*****Fly-over starts will not be used at the 8 & Under Meet.***

SWIMS (USA-S): This meet has been approved by USA Swimming. Therefore, all individual times will be automatically submitted for entry into SWIMS as long as USA-S ID numbers have been included with your entry.

PROTEST PROCEDURE: Protests may only be initiated by a person with standing, that is, a coach or YMCA supervisor whose team is competing in the meet. The Championship committee will arbitrate protests, eligibility issues, safety rules and other issues

Protests against the judgment decisions of starters, stroke, turn, place and relay take-off judges can only be considered by the Referee and the Referee's decisions will be final USA-S Rule 102.23).
